The South Pacific is on every sailor's hit list. It's not only one of the birth places of sailing and navigation, but is a magnificent and special place to sail. With volcanic islands and incredible atolls, all three legs of this popular trip are a sailor's paradise, especially if you are looking for offshore experience. The Offshore Passagemaking Certification is taught on both leg 2 and 3, as there is an exciting 200 mile passage between Tahiti and the Tuomotus. For more info - click here.

Beer Can races are held every other Friday between April and September. You can pick and choose which races to participate in. The cost per race is \$50.

Your Race Clinic registration is your ticket onto

the Race Team, giving you access to exclusive regattas throughout the year: Leukemia Cup Charity Regatta, Ruth Gordon Schnapp Charity Regatta, GGYC Mid-Winter Series. Get your gloves on and sign up today!
