

Grenadines Flotilla

December 6 - 16, 2014

with Modern Sailing School & Club

Why the Grenadines?

With a unique combination of French and English culture, exotic flowers and rare fruits, a rich history of storytelling and well-seasoned foods, it's no wonder Grenada is known as the "Island of Spice." It's also the gateway to the unspoiled cruising grounds of the Grenadines, which promises some of the best sailing anywhere in the Caribbean.

Grenada, which is part of the Windward Islands, is actually a chain of six islands including Grenada, Carriacou and Petite Martinique. From Grenada, you can visit such renowned sailing destinations as the Tobago Cays, Salt Whistle Bay, Mustique or the old whaling island of Bequia. Whether it is a deserted beach, or viewing the island homes of rock stars and royalty, or simply grilling a lobster on the barbecue, the Grenadines has something for everyone. Each island has its own distinctive flavor. Some are deserted, while others have small bustling markets where you can bargain for fresh local produce, fish and meats.

Why a Flotilla with Modern Sailing?

As a club, we strive to provide an active, supportive, and relaxing social environment for our members to further their sailing education and experience. Our flotillas are a perfect opportunity for you to practice your sailing skills in exotic waters with the support and social camaraderie of a group. If this is your first international charter, you will confidently be able to bring family or friends along, knowing that there is support all around you. If you have sailed internationally before, even in the Caribbean, you will enjoy the group dynamics and social flavor of sailing in a flotilla. And, the best part is that you can choose to rent your own boat, or join a Club Boat. Don't wait to book your boat or spot, as this is going to be a very popular trip!

the Grenadines

Visas

All visitors must have valid passports and a return or onward ticket. Visas are not required of US, Canadian or British Citizens and most European nationals, but there are odd exceptions so please check with your travel agent. Duty free allowances for personal items include: one quart in total wines and spirits, half-pound tobacco or 50 cigars or 200 cigarettes. No restrictions on the amount of money that can be brought in. Restricted items are fruits, vegetables, meat, soil, illegal drugs, firearms and ammunition.

Currency

Eastern Caribbean Dollar
EC\$2.70 to US\$1.00

Climate

The dry season runs from January to May. In July, the wettest month, rain falls for an average of 26 days, while in April, the driest month, it averages only six days. In January the average daily high temperature is 29°C (85°F), while the nightly low is 22°C (72°F). In July the average high is 30°C (86°F), while the nightly low is 24°C (76°F).

Travelling

The base is located in Port Louis Marina on Grenada. Maurice Bishop International Airport is only five miles from the marina and has direct flights to many US cities. The following airlines run scheduled flights to Grenada: British Airways, Virgin Atlantic, American Airlines, LIAT, Caribbean Airlines, SVG Airlines, Conviasa, Delta, Air Canada.
