

Corinthian Yacht Club Visitor Information and Acknowledgement for Modern Sailing Members

Corinthian Yacht Club (CYC) guest docks, dining room, and bar are available to Modern Sailing Club (MSC) members who arrive on an MSC boat, including MSC boats that participate in CYC regattas¹.

When planning to visit CYC during a sail, you may request a **CYC/MSC Guest Pass Card** from the MSC Office which may be picked up when you arrive at either Berkeley or Sausalito for your MSC charter. You will also be loaned an MSC burgee, which must be flown on your boat when at the CYC dock. The Guest Pass Card and burgee must be returned to MSC after completing check-in upon returning from your sail.

Advance reservations are generally needed; check with the CYC office (415) 435-4771 in advance to determine space availability. Because of CYC's proximity to some popular establishments, it must necessarily limit unannounced dock usage.
