

Corinthian Yacht Club Visitor Information for Modern Sailing Members

Corinthian Yacht Club (CYC) guest docks, dining room, and bar are available to Modern Sailing Club (MSC) members who arrive by boat, including MSC boats that participate in CYC regattas.

When planning to visit CYC during a sail, you may request a **CYC/MSC Guest Pass Card** from the MSC Office which will be given to you when picking up the keys to your MSC charter boat. This card must be returned to MSC along with the keys after completing check-in upon returning from your sail.

Advance reservations are generally needed; check with the CYC office (415) 435-4771 in advance to determine space availability. Because of CYC's proximity to some popular establishments, it must necessarily limit unannounced dock usage.

Harbor Location, Contacts and Procedures

Harbor Entrance: 37° 52.33'N 122° 27.31'W

VHF 68 - WQND861

Office: (415) 435-4771

Harbormaster: (415) 302-5083

Upon arrival at the CYC harbor, check in and register with a club official (Office or Harbor Master) and sign the Club's guest register. The presentation of a **CYC/MSC Guest Pass Card** is also required. The bar and dining room are then available on a credit card basis (no cash).

MSC boats must fly the MSC burgee while at CYC.

The CYC guest dock is aft of slip A-14 at the end of the "A" berthing line, which is the southernmost berthing line, on the extreme left, as you enter the harbor.

The Guest Dock is for temporary use only. In order to provide maximum accommodation for visiting yachts, it is necessary to restrict use of the guest dock to boats under 52' in length. Regardless of the intended length of stay, kindly contact the club office or Harbor Master before leaving your home port to ensure space availability.

Guest tie-ups are \$1.00 per linear foot per night.

Kindly check out with the club office prior to departure from the CYC harbor.

Dock and House Rules

Cell phone use and smoking are not permitted in the Clubhouse.

Dogs and other pets are required to remain on the lower deck. A dog station is provided there.

Visitors must register with the front office.

Children must be supervised by responsible adults and may not sit or stand at the bar.

Additional Amenities

Heads and Showers

Heads and showers are located below the Clubhouse and are open twenty-four hours. Newly renovated Clubhouse level heads are located in the hallway outside the bar.

Ice and Beverages

Ice is available from the machine located on the main dock level adjacent to the blue covered dingy racks. Beverages are available for purchase from the bar.

Shore Power

Power on the floats is 30 amps but not available in all locations and require marine grade connectors. Overloads will trip circuit breakers that then need to be reset.

Additional Requirements

- Visiting skippers are responsible for their vessels and for those aboard their vessels.
- Members and visitors are expected to wear shoes, trousers and shirts in the dining and bar areas.
- The Bar is open only to members and their bona fide guests and to visitors who possess a CYC/MSC Guest Pass Card or a membership card from a club having reciprocal club privileges.
- Bringing of liquor onto the property is allowed as long as consumed on your boat. All liquor consumed in Club buildings or other facilities must be served or furnished by the Club.
- Parents are requested to supervise their children carefully in the harbor areas as well as in the Clubhouse. Skateboarding and rollerskating are not allowed on the premises.
- Dogs are not permitted on the Club level or inside the Clubhouse.
- Guest boats may not perform repairs of any kind without the expressed permission of the Club management.

- Use of transom barbecues are prohibited by the Fire Marshal.
- Please do not set up any obstructions on the docks such as chairs, tables, barbecues, etc.
- Trash containers are located near the main gate.

I have read and understand the Procedures, Rules and Requirements of the Corinthian Yacht Club stated above and agree to fully comply with them.
